Sir:

I, Alexandre Blais, hereby declare that:

1. I am the inventor for the above-identified patent application, U.S. Serial No. 10/626,464.

2. Cited against this application is the Canadian application No. 2,332,187.

3. I, as inventor of this application and signing below, hereby declare that the cited disclosure in 2,332,187 was conceived or invented by me. Thus, any invention disclosed but not claimed in the cited reference was derived from the inventor of this application and not "by another".

4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that any such willful false statements may jeopardize the validity of the application or any patent issued thereon.
